SENATE BILL

No. 752

Introduced by Senator Berryhill
(Coauthor: Assembly Member Chesbro)

February 18, 2011

An act to add Section 1065 to the Fish and Game Code, relating to entitlements.

LEGISLATIVE COUNSEL'S DIGEST

SB 752, as amended, Berryhill. Entitlements: voluntary donations.

Under existing law, all licenses, permits, tags, reservations, and other entitlements authorized by the Fish and Game Code are prepared and issued by the Department of Fish and Game. Existing law authorizes specified persons to obtain tags or stamps for the taking of specific animals or aquatic species, if certain requirements are met.

This bill would require that a person to whom a license, permit, reservation, tag, or other entitlement is issued pursuant to the Automated License Data System have the opportunity at the time of issuance to voluntarily authorize the release of contact information to nonprofit conservation organizations, as defined, through means of a checkoff box, or through other means the department determines to be

appropriate. The bill would require the department to annually transmit contact information to the designated nonprofit conservation organization and would prohibit a nonprofit conservation organization that receives contact information from the department from sharing that information with any other 3rd party without the prior written consent of the individual to whom the contact information applies. The bill would authorize the department to impose a charge on a nonprofit conservation organization to recover the direct reasonable costs of administering these provisions. *The department would be prohibited from implementing these provisions until the Fish and Game Commission, by a majority vote of its members, determines that there is sufficient interest among nonprofit conservation organizations to allow the department to recover, over a 3-year period, startup and ongoing costs resulting from the implementation of the provisions.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 1065 is added to the Fish and Game Code,
- 2 to read:
- 3 1065. (a) A person to whom any license, permit, reservation,
- 4 tag, or other entitlement is issued pursuant to the Automated
- 5 License Data System shall have the opportunity at the time of
- 6 issuance to voluntarily authorize the release of his or her contact
- 7 information to eligible nonprofit conservation organizations
- 8 through means of a checkoff box, or through other means the
- 9 department determines to be appropriate.
- 10 (b) A nonprofit conservation organization seeking to receive
- 11 contact information pursuant to this section shall submit *in a*
- 12 *manner determined by the department*, once every three years, a
- 13 letter to the department providing evidence that it meets the criteria
- 14 set forth in subdivision (e). If the department determines that the
- 15 nonprofit organization is eligible, it shall include the entity in the
- 16 checkoff box or other means determined pursuant to subdivision
- 17 (a).
- 18 (c) Notwithstanding Section 1050.6, the department shall
- 19 annually transmit contact information collected pursuant to
- 20 subdivision (a) to the designated nonprofit conservation
- 21 organization.

1 (d) The department may impose a charge on a nonprofit
2 conservation organization included in the checkoff box or other
3 means determined pursuant to subdivision (a) that shall not exceed
4 the reasonable costs associated with the direct administration of
5 this section.

6 (e) As used in this section, “nonprofit conservation organization”
7 means an entity that the department determines meets all of the
8 following:

9 (1) It is a nonprofit organization described in Section 501(c)(3)
10 of the Internal Revenue Code (26 U.S.C. Sec. 501(c)(3)), that is

12 Sec. 501(a)).

13 (2) It is registered with the Attorney General.

14 (3) Its goals and objectives are directly related to the
15 conservation and management of fish and game species.

16 (4) In the previous three calendar years, it has entered into a
17 contract or other agreement, *including, but not limited to, a license,*
18 *easement, memorandum of understanding, or lease,* with the
19 department to perform habitat or other wildlife conservation work,
20 or to raise funds on behalf of the department, including, but not
21 limited to, the sale of hunting fundraising tags or related items.

22 (f) *(1) A nonprofit conservation organization that receives*
23 *contact information from the department pursuant to this section*

26 individual to whom the contact information applies.

27 *(2) If a nonprofit conservation organization violates paragraph*
28 *(1), the department shall remove the organization from the checkoff*
29 *box or other means determined pursuant to subdivision (a). The*
30 *department shall not make a nonprofit conservation organization*
31 *that violates paragraph (1) eligible to receive contact information*
32 *pursuant to this section until at least five years after the date the*
33 *organization was determined to be ineligible.*

34 (g) *Upon appropriation by the Legislature, the department may*
35 *use moneys generated from the surcharge placed on entitlements*
36 *purchased pursuant to the Automated License Data System to pay*
37 *a reasonable portion of the costs of making changes to the*
38 *Automated License Data System necessary to implement this*
39 *section.*

1 (h) *The department shall not implement this section until the*
2 *commission, by a majority vote of its members, determines that*
3 *there is sufficient interest among nonprofit conservation*
4 *organizations to allow the department to recover, over a three-year*
5 *period, startup and ongoing costs resulting from the*
6 *implementation of this section.*
